* According to the instructions of the Tax & Customs office, import cargo reception during Chol HaMoed, Passover and Sukkot will be possible until 14:00. Cargo received by 14:00 will be handled. Any deviation from the aforementioned will require approval from the Customs office.

** On the days when certain passengers' terminals will close earlier, as shown in the table, passengers are asked to prepare accordingly and arrive at the terminal at least two hours before closing time in order to ensure successful completion of the border crossing process
