Dear friends and partners,

I hereby respectfully submit for your review a report summarizing the aviation activity at Ben - Gurion International Airport in June 2026.

During the month, a total of 1,750,483 passengers on 12,721 international and domestic flights passed through Ben- Gurion Airport.

International passenger traffic in June totaled 1,690,889 passengers representing an increase of 103.41% compared to June 2025.

International aircraft traffic totaled 12,221 flights, representing an increase of 91.31% compared to June 2025.

On domestic flights 59,594 passengers passed through Ben- Gurion Airport this month, compared with 26,824 in June 2025, an increase of 122.16%.

Israeli airlines carried 1,175,418 passengers in this month, 69.51% of all travelers passing through Ben - Gurion Airport, an increase of 122.98% relative to the previous June.

The airlines which contributed the most to the increase of passenger traffic this month are: EL AL ISRAEL AIRLINES, ARKIA ISRAELI AIRLINES and ISRAIR AIRLINES.

The Destination with the highest volume of activity was ATHENS with a total of 118,097 passengers to and from, an increase of 72.09% compared to the previous June.

The country with the highest volume of activity was GREECE, with 293,030 passengers, constituting 17.32% of all activity.

Of the leading countries, the highest growth relative to last June was recorded in passenger traffic to GREECE, ITALY and UNITED STATES.

Cargo transportation this month stood at 30,422 tons and reflects an increase of 62.85% compared to June 2025. 7,344 tons were transported in passenger aircraft and 23,078 tons in cargo aircraft.

In the coming months, traffic volume is expected to increase to numbers approaching Ben Gurion Airport's busy summer seasons of 2019 and 2023.

Ben Gurion Airport's ability to recover at such a speed and cope with high volumes of traffic, after the last months, coping with very low traffic, due to the "Lion's Roar" campaign, is possible thanks to the Operational partners, airlines and all Ben Gurion Airport managers and employees.

After three and a half years, I am concluding my role as Ben-Gurion airport manager, with pride regarding Ben Gurion Airport's handling of the recent period in general, during war times and security incidents in particular. I want to Thank everyone and wish continued prosperity and growth of Ben-Gurion airport, for the sake of the Israeli public.

Below you will find additional tables providing details about movements of aircraft, passengers and cargo at Ben - Gurion International Airport.

*The Data is displayed according to actual UTC time.

Sincerely yours,

Udi Bar Oz

Managing Director,

Ben-Gurion International Airport
